WEBSITE GROWTH AUDIT

Bright Dental Practice

bright-dental.co.uk | London, UK | Prepared for the Bright Dental team

A Harrow dental practice appears to lose new patients to Covid news from 2020 and a 2017 copyright date.

What I found on your website

What I saw	What it costs you	The fix
The Latest News section appears to show Covid-19 posts dated 14 November 2020.	Old Covid news tells a patient the practice may not be active, so they book another practice.	**Fresh news or a clean page with no old posts.**
The footer appears to say Copyright 2017 Bright Dental Practice.	An old date makes the site look abandoned.	**A current page.**
No WhatsApp or text option appears, only a phone number and a contact form.	Patients who want a quick answer message first.	**A one tap text button and online booking.**

What your new website will do for Bright Dental Practice

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
