WEBSITE GROWTH AUDIT

Chinar Properties and Management

chinarrlmanagement.wixsite.com/chinar | Abu Dhabi, UAE | Prepared for the Chinar Real Estate team

An Abu Dhabi real estate agency appears to lose enquiries to garbled welcome copy, a free builder address and no WhatsApp.

What I found on your website

What I saw	What it costs you	The fix
The welcome text appears to include a garbled sentence, We accept that the organization we would not be able to employ individuals.	A visitor reading the first paragraph sees broken English, and doubts the agency's professionalism.	**Clear, proofread welcome copy.**
The site appears to run on a free Wix address, with a Wix banner on the page.	A free builder address looks temporary for a real estate agency.	**Your own domain.**
The homepage appears to run a long text about why to live in Abu Dhabi before showing a listing.	Buyers and tenants come to see properties, and a wall of text sends them to the big portals.	**Featured listings and a search at the top.**
The page shows a Call us number, but no WhatsApp appears.	Renters in Abu Dhabi message first, and the agent who replies first wins the viewing.	**A one tap WhatsApp button and an enquiry form.**

What your new website will do for Chinar Properties and Management

- Proofread copy.
- Own domain.
- Listings first and WhatsApp.
