WEBSITE GROWTH AUDIT

CHOICES Dental Hygiene

choicesdentalhygiene.wixsite.com/choicesdentalhygiene | Toronto, Canada | Prepared for Linda Hawley and the CHOICES team

A Toronto hygiene practice with 33 years of experience appears to lose new clients to a free builder address, a 2017 date and a gmail contact.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Wix address, with a Wix banner on the page.	Clients check a practitioner's credibility online first, and a free builder address looks temporary after 33 years of experience.	**Your own domain and a professional email.**
The footer appears to say 2017 by CHOICES Dental Hygiene Care, created with Wix.com.	An old date and a builder credit make a visitor wonder if the page is still active.	**A current page.**
The contact appears to be a gmail address and one phone number, with no text option.	A free email gives less trust, and clients who want a quick answer have nothing faster than a call.	**A professional email and a one tap text button.**

What your new website will do for CHOICES Dental Hygiene

- Own domain and email.
- Current page.
- Booking and text.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
