WEBSITE GROWTH AUDIT

Cosmedics Skin Clinic

cosmedics.co.uk | London, United Kingdom | Prepared for the Cosmedics team

A Harley Street skin clinic appears to lose bookings because the Book Online buttons and contact form do not appear to work.

What I found on your website

What I saw	What it costs you	The fix
Every Book Online button appears to point to an on page anchor that does not exist, so booking may not work.	Ready patients cannot book and leave.	**Booking buttons that open a working booking page.**
The contact form appears to be only an image with no visible fields.	Patients who want to write cannot.	**A working enquiry form.**
Sunekos appears to show From TBC as its price, and the slider controls appear to read nexxt slide.	Placeholders and typos make the clinic look unfinished.	**Real prices and proofread copy.**
The Patient Reviews heading appears to show no reviews, hours appear as 10am to 5pm and also 9am to 5:30pm, and some claims appear unsourced.	Missing proof and conflicting hours reduce trust.	**Real reviews and one set of hours.**

What your new website will do for Cosmedics Skin Clinic

- Working booking.
- Working form.
- Real prices, reviews and hours.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
