WEBSITE GROWTH AUDIT

# Diamond Dental Clinic

drbaherbarsoum.wixsite.com/diamonddentalclinic | Abu Dhabi, UAE | Prepared for the Diamond Dental Clinic team

An Abu Dhabi dental clinic open since 1992 appears to lose new patients to a free builder address, a 2020 date and a hotmail contact.

## What I found on your website

| What I saw | What it costs you | The fix |
|---|---|---|
| The site appears to run on a free Wix address, with a Wix banner on the page. | Patients check a clinic's credibility online first, and a free builder address looks temporary for a clinic trading since 1992. | **Your own domain and a clinic email.** |
| The page appears to carry a 2020 copyright date. | An old date tells a patient the clinic may not be active, so they book a competitor. | **A fresh, current page.** |
| The contact appears to be a hotmail address. | A free email gives less trust, and it can land in spam when patients and insurers write to you. | **A clinic email on your own domain.** |

## What your new website will do for Diamond Dental Clinic

- Own domain and clinic email.
- Fresh look with doctors and insurance.
- Booking and WhatsApp.

## How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.

### Book your 15 minute preview call
