WEBSITE GROWTH AUDIT

Dr Omar Fouda Clinic

drfoudaneel.com | Riyadh | Prepared for Dr Omar Fouda

A recent, calm clinical brand with surgical and non surgical care is a strength, but conflicting numbers and no patient proof appear to cost you consultations.

What I found on your website

What I saw	What it costs you	The fix
The WhatsApp button appears to use +966578087777 while the listed number is +966578587777.	One wrong digit sends patients to the wrong line.	**One verified number.**
Procedure Cost, For Men and Skin menu items appear to link to #, and the full menu appears three times on the page.	Dead links and repeated menus frustrate patients looking for prices.	**Working menu with a real price page.**
The Our Clinic section appears to list Riyadh, Jeddah and Doha but only one Riyadh address, and booking buttons appear to open a popup with no visible form or slots.	Unclear locations and a hidden booking flow lose consultations.	**Address per city and a clear booking form.**
The Trusted by Patients heading appears to be followed by no testimonials, the copy appears to say 'of of' and 'Photo Rejuvanation', and 'board-certified' names no board.	Missing proof and typos weaken a surgeon's brand.	**Reviews, results and named credentials.**
