WEBSITE GROWTH AUDIT

Du Law Office

dulawoffice.ca | Toronto, Canada | Prepared for the Du Law Office team

A Toronto family and criminal law office with a bail hotline appears to lose enquiries to stray page code, no online form and no instant message option.

What I found on your website

What I saw	What it costs you	The fix
Stray markup characters appear about three times in the page text near the header.	Broken code on the first screen looks careless to a client in a crisis.	**Clean template markup.**
No online enquiry form appears, only a phone number and an email address.	Many clients prefer to leave details at night instead of calling.	**A short confidential enquiry form with matter type.**
No WhatsApp or WeChat option appears, even though the site offers Chinese language pages.	Chinese speaking clients often message first.	**WhatsApp and WeChat contact on every page.**
English such as court attending experience and As a very professional divorce lawyer appears on the homepage.	Awkward phrases weaken a lawyer's credibility.	**Proofread homepage copy.**

What your new website will do for Du Law Office

- Clean markup.
- Confidential enquiry form.
- WhatsApp, WeChat and proofread copy.
