WEBSITE GROWTH AUDIT

Emirates Advocates and Legal Consultants

emiratesadvocates.com | Dubai and Abu Dhabi | Prepared for the team

Since 1980 with many practice areas is a strength, but dead menus and a Family Law link to a veterans page appear to cost you clients.

What I found on your website

What I saw	What it costs you	The fix
The Practice Areas menus appear to use # and the hero button View Practice Area appears to go to #practice_area, while Family Law appears to link to a veterans benefits page.	A client who clicks their issue reaches nothing or the wrong page.	**Dedicated practice area pages.**
No visible contact form appears, only a Book Appointment button, and the email link appears to contain a stray space.	A client cannot easily enquire and the email may not open.	**A short enquiry form with WhatsApp and a working email link.**
The site appears to say 'Mon To Fri 07.30 am to 05.00 pm' and '24*7 Available', and 'Since 1980' beside '44+ Years'.	Conflicting hours and figures weaken trust.	**Accurate hours and one verified claim.**
The copy appears to read 'we provides advisory services', Commercial Mediation appears twice in the menu, and a stray Client Testimonial label appears with no content.	Typos and duplicates make a law firm look careless.	**Proofread copy and a clean menu.**
