WEBSITE GROWTH AUDIT

Farrar Gesini Dunn

fgd.com.au | Sydney, Australia | Prepared for the Farrar Gesini Dunn team

A multi office Sydney family law and estates firm appears to lose enquiries to thin proof, repeated read more links and an unclear contact form.

What I found on your website

What I saw	What it costs you	The fix
Only one unattributed testimonial appears, with no ratings, review counts or case outcomes.	Clients choose a firm they can see proof for.	**Named reviews, ratings and outcomes.**
Calls to action appear to repeat as Find out more and Read More many times.	Vague buttons do not tell a visitor what happens next.	**Clear action labels such as Book a free fee discussion.**
The contact form appears to ask for Other Party and show office options run together.	A confusing form causes abandoned enquiries.	**A simple form with name, phone and matter type.**
No lawyer names appear on the homepage and no booking option or WhatsApp appears.	Clients hire a person, not a logo.	**Lawyer profiles and an instant booking button.**

What your new website will do for Farrar Gesini Dunn

- Named reviews and results.
- Clear buttons and a simple form.
- Lawyer profiles and booking.
