WEBSITE GROWTH AUDIT

Hamad Alyafei Law Firm

alyafeilaw.com | Doha, Qatar | Prepared for the Alyafei team

A Doha boutique law firm with a strong team list appears to lose enquiries to dead links, unproven claims and awkward copy.

What I found on your website

What I saw	What it costs you	The fix
About 13 links on the page appear to point to #.	Dead links stop visitors who want to read a practice area or reach the team.	**Working links on every menu and section item.**
The page title appears to call it Qatar's best law firm, with no rankings, reviews or case results shown.	An unproven best claim makes serious clients doubt the rest of the page.	**Verified proof such as rankings, results and reviews.**
Copy such as expert various business knowledge, alongside with, and a sentence starting That strives to appear.	Grammar errors on a legal site weaken trust in the firm's attention to detail.	**Proofread English copy.**
The only contact path appears to be a generic Send Us Your Inquiries form and a phone link, with no WhatsApp.	Clients who message first go to a firm that answers on WhatsApp.	**WhatsApp and a form with matter type.**
