WEBSITE GROWTH AUDIT

Harrow Weald Dental Practice

harrowwealddental.co.uk | Harrow, London, UK | Prepared for Dr Devang Patel

A Harrow practice open since 2003 with 550 plus five star reviews claimed is a strength, but a dead treatments menu and placeholder text appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
The Treatments menu item appears to link to #, empty links appear in the header and footer, and the review links appear to point to #.	Patients cannot browse treatments from the menu, and reviews do not open.	**Working treatment and review links.**
The text 'treatments at harrow weald dental' appears seven times as placeholder copy, and the award list appears three times.	Repeated filler text lowers trust and hurts the page.	**Written treatment content and one award list.**
The directions link appears to start from a location in Mumbai, the phone link appears to contain spaces, and 'Childern' appears misspelled.	Wrong directions, a phone link that may not dial and typos cost visits.	**Correct directions, a clean phone link and proofread text.**
Awards appear dated 2011 and 2012, the BDA membership appears to end in 2019, and only four of 550 plus reviews appear.	Old dates and few shown reviews weaken proof.	**Current credentials and a live reviews feed.**

What your new website will do for Harrow Weald Dental Practice
