WEBSITE GROWTH AUDIT

Inspire Dental and Aesthetic Clinic

inspiredental.ae | Dubai, UAE | Prepared for Dr Sahla and team

A Dubai clinic in Oud Metha appears to lose bookings because the booking form looks incomplete and the offers section is empty.

What I found on your website

What I saw	What it costs you	The fix
The booking form appears to show only time and reason fields with no name or phone fields, and Schedule Appointment appears to be an email link.	Patients cannot easily book, so they call a competitor.	**A complete on page booking form.**
Our Offers appears to promise limited time deals but lists no offers.	Empty promises weaken trust and miss a chance to convert.	**Real offers with prices and dates, or remove the section.**
The footer appears to say All right reserved, and headings such as Need Help ? and Listen from our happy patients appear.	Typos make a clinic look careless.	**Proofread copy.**
No dentist is named in the clinic's own copy, and several image labels appear to be filenames.	Patients choose the dentist they can see and trust.	**Named dentists with credentials and correct image labels.**

What your new website will do for Inspire Dental and Aesthetic Clinic

- Complete booking form.
- Real offers.
- Named dentists and clean copy.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
