WEBSITE GROWTH AUDIT

Justice Family Lawyers

justicefamilylawyers.com.au | Sydney, Australia | Prepared for the Justice Family Lawyers team

A Sydney family law firm with named lawyers and awards appears to lose enquiries to empty sections, repeated messages and no way to book online.

What I found on your website

What I saw	What it costs you	The fix
The Year 2026, 2025 and 2024 labels and the Family Law Explainers block appear to show no content under them.	Empty blocks make the firm look unfinished.	**Fill or remove empty sections.**
The same award appears to be listed under different names, and Send Us A Message appears about seven times.	Inconsistent awards weaken credibility and repeated prompts add noise.	**One clean awards row and one clear contact path.**
A 4.9 rating from over 248 Google reviews appears to be linked out with no review quotes on the page.	Worried clients want to read what others said before they call.	**Real review quotes on the page.**
Book a consultation online appears to open the general contact page, and no opening hours appear.	Clients in a hard moment give up when the next step is unclear.	**A real consultation booking with hours shown.**

What your new website will do for Justice Family Lawyers

- Clean awards and no empty sections.
- Review quotes on the page.
- A real booking flow with hours.
