WEBSITE GROWTH AUDIT

London Lip Clinic

londonlipclinic.co.uk | Harley Street, London | Prepared for Rupesh Shah

A Harley Street address, WhatsApp on the page and long opening hours are strengths, but contradictory prices and advice appear to cost you bookings.

What I found on your website

What I saw	What it costs you	The fix
The Botox page appears to say costs run from £300 to £2,040 beside From £220 and £225 per area, and a £20 consultation redeemable against treatment beside a complimentary consultation.	Conflicting prices make a patient doubt the real cost.	**One clear price list and one consultation offer.**
Aftercare appears to say do not lie down for three hours in one place and stay upright for at least four hours in another, and results appear as 3 to 7 days, 3 to 5 days and 10 to 14 days.	Contradictory medical advice weakens trust in a clinical brand.	**One reviewed aftercare and results timeline.**
The Before & After links appear to go to #, the images appear blank, the Patient Testimonials section appears to be only an image, and a Secret Link sits in the footer.	No visible results or readable reviews for a cosmetic clinic.	**Captioned before and after photos and readable reviews.**
Typos appear such as 'time off work i have to take', 'Medical Botox Treatments :Botox' and 'botox work begins', and two unlabeled phone numbers show.	Small errors and unclear numbers lose bookings.	**Proofread copy and labeled contact numbers.**
