WEBSITE GROWTH AUDIT

MacKenzie and MacKenzie

mackenzielawyers.com | Toronto, Canada | Prepared for the MacKenzie team

A Toronto firm in business since 1980 has real credibility, but unfinished pages and inconsistent details appear to cost you consultations.

What I found on your website

What I saw	What it costs you	The fix
The page says to use the form below, but no form appears to be visible, and the only action is Schedule a consultation.	Visitors who want to describe their matter have no clear way to do it.	**A short enquiry form with a matter type field.**
Legal Services appears to link to /new-page, and the address appears as Attwell Drive in the body and Atwell Drive in the footer.	Placeholder pages and spelling slips make a long established firm look careless.	**A real services page and one consistent address.**
The firm appears as MacKenzie and MacKenzie, MacKenzie Lawyers and MacKenzie & MacKenzie, and the history appears as since 1980 and over 30 years.	Inconsistent names and dates weaken trust and search visibility.	**One name and one correct history line.**
No lawyer names, case results or visible Google rating appear, and fees are said to be discussed upfront without any ranges.	Clients choose the firm that shows who, what and how much.	**Lawyer profiles, results and fee guidance.**

What your new website will do for MacKenzie and MacKenzie

- Enquiry form.
- Real services page and one address.
- Lawyer profiles, results and fee guidance.
