WEBSITE GROWTH AUDIT

Maison and Co Realty

maisoncorealty.com.au | Sydney, Australia | Prepared for Eddie and Vera

A boutique Sydney agency with a clear voice appears to lose owners to missing proof and an appraisal button with no form.

What I found on your website

What I saw	What it costs you	The fix
The page promises a complimentary appraisal, but only a Book Appraisal button appears, with no visible form.	Owners ready to ask for a price must work to do it, and many will not.	**A short appraisal form on the homepage.**
The nav appears to list Testimonials and Meet Our Team, but no testimonials or team section appears on the page.	Owners choose an agent they can see and trust.	**Real testimonials, sold results and a team section.**
Only one phone number appears, once, and no business address appears in the page text.	Owners cannot easily call or confirm you are local.	**Phone and address in the header and footer.**
The Buy section appears to say you are building your portfolio, and the rent text says Marsfield and Punchbowl while a Rouse Hill listing appears.	Placeholder and mismatched text weakens a premium brand.	**Clear sale results and consistent copy.**

What your new website will do for Maison and Co Realty

- Appraisal form.
- Testimonials and team.
- Visible phone and address.
