WEBSITE GROWTH AUDIT

Miranda Dental Centre

mirandadentalcare.weebly.com | Sydney, Australia | Prepared for Dr Abhay Kohli and team

A Kingsway dental practice appears to lose new patients to leftover template text, repeated paragraphs and a free builder address.

What I found on your website

What I saw	What it costs you	The fix
The page text appears to include leftover template wording such as please mention any other equipment's.	Template notes on a dental page make the practice look unfinished.	**Real equipment details in place of template notes.**
Paragraphs such as At Miranda Dental clinic we are dedicated to providing our patients with highest quality of dental care appear twice.	Repeated copy wastes the visitor's attention and looks careless.	**One clear version of each message.**
Typos such as dentistsadhere and appointmen appear in the page text.	Spelling errors in a clinic's own text weaken trust.	**Proofread copy on every page.**
The site appears to run on a free Weebly address, and no online booking form or WhatsApp appears.	Patients who want to book online or message cannot, and a free builder address looks temporary.	**Your own domain, online booking and WhatsApp.**

What your new website will do for Miranda Dental Centre

- Clean copy.
- Proofread text.
- Own domain, booking and WhatsApp.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
