WEBSITE GROWTH AUDIT

Moorehouse Solicitors

artecharvey.wixsite.com/uklawyers | London, UK | Prepared for the Moorehouse Solicitors team

A Tottenham solicitor firm appears to lose clients to a free builder address, a template footer name and news from 2015.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Wix address, though your email uses moorehouseslaw.co.uk.	Clients checking a solicitor's credibility trust a firm domain, and a builder address looks temporary.	**Your own domain connected to the site.**
The footer appears to say 2023 by Lawyer & Lawyer, which looks like a template name and not Moorehouse Solicitors.	A wrong name in the footer makes visitors wonder whose site they are on.	**Your firm name and details everywhere.**
The News and Publications items appear to be dated 01-09-2015.	Old news tells a client the firm may not be active, so they call another firm.	**Fresh, short practice updates.**
Only a mobile number and an email appear, with no WhatsApp, and the page title says Immigration & Visas UK Lawyers instead of your firm name.	Clients who want a quick message have no easy way, and searchers do not see who you are.	**A one tap WhatsApp button and a title with your firm name.**

What your new website will do for Moorehouse Solicitors

- Own domain and firm name.
- Fresh practice pages.
- Enquiry form and WhatsApp.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
