WEBSITE GROWTH AUDIT

Search Realty Corp (MrTorontoRealtor)

mrtorontorealtor.wixsite.com/mrtorontorealtor | Toronto, Canada | Prepared for the Search Realty team

A Toronto pre construction broker appears to lose buyers to a free builder address, a 2017 date and typos in its copy.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Wix address with a Wix banner, though your email uses mrtorontorealtor.com.	Buyers who find the long builder address trust it less than a clean domain.	**Your own domain connected to the site.**
The copy appears to say find the perfect tent for your property, which seems to mean tenant, and it writes Gta.	Typos on a page that sells property make a buyer doubt the broker's attention to detail.	**Proofread copy on every page.**
The page appears to carry a 2017 copyright date.	An old date makes the site look abandoned, and buyers pick an active broker.	**A fresh, current page.**
No WhatsApp appears, and enquiries appear to rely on a phone number and an email.	Pre construction buyers compare many brokers and message the first one that answers.	**A one tap WhatsApp button and an enquiry form.**

What your new website will do for Search Realty Corp (MrTorontoRealtor)
