WEBSITE GROWTH AUDIT

Prestige Luxury Real Estate

prestigeluxury.ae | Dubai Marina | Prepared for the Prestige Luxury team

Your Marina office and Dubai wide listings are a good base, but the homepage reads like an unfinished template and gives buyers no easy way to reach an agent.

What I found on your website

What I saw	What it costs you	The fix
The area list is a raw dump of names with typos such as Sanctnary, Curreny House, Emeral Residence and Marinsacpe, and Dubai Sport City against Dubai Sports City.	Buyers cannot search by area, and typos look careless on a luxury brand.	**A clean, searchable area list.**
No enquiry form or WhatsApp. The only contact is a generic Contact us email link.	A buyer ready to talk to an agent has no quick way to do it.	**Enquiry form and WhatsApp on every listing.**
The All, For Rent and For Sale tabs link to #, two Max Price filters share one label, and the footer shows the theme name (Houzez).	Broken filters and the theme name show a template, not a premium agency.	**Working filters and a branded footer.**
No team members or reviews appear, although a Meet The Team link exists, and the claim of the highest ROI in the world has no source.	Investors want to know who they are trusting, and unsupported claims weaken trust.	**Agent profiles, reviews and sourced figures.**

What your new website will do for Prestige Luxury Real Estate

- A fast property search with clean areas, plus an enquiry form and WhatsApp on every listing.
- Named agent profiles, reviews and sourced market figures that win investor trust.
