WEBSITE GROWTH AUDIT

Quttainah Medical Center

qmc-doha.com | Madinat Khalifa South, Doha | Prepared for the Quttainah team

A dermatology, plastic surgery and pharmacy offer with WhatsApp booking is a strength, but dead menus and three different WhatsApp numbers appear to confuse patients.

What I found on your website

What I saw	What it costs you	The fix
The About, Departments and Media menu items link to #.	Visitors cannot reach your main sections from the menu.	**Working menus and department pages.**
Book Now sends people to +974 5147 5954, Appointments to +974 5025 6513 and the footer to +974 4408 9701.	Patients do not know which number is the right one and some will give up.	**One clear booking number and a booking form.**
The page says Make an Appointment Friend, keyword phrases such as dermatologist near me are repeated in the text, and the hours omit Saturday.	Odd copy and missing hours cost bookings.	**Clear, proofread copy and complete hours.**
The rating shows 4.4 from 99 reviews but only a few appear, several reviews have no text, and staff names vary between Dr. Shin and Dr. Nashat.	Thin proof and changing names weaken your strongest asset.	**A full review wall and consistent staff names.**

What your new website will do for Quttainah Medical Center

- Working menus and one booking number with a form.
- Proofread copy with complete opening hours.
- A full review wall and consistent staff profiles.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
