WEBSITE GROWTH AUDIT

Serene Dental

serenedental.co.uk | Knightsbridge, London | Prepared for Dr Safa and the team

Sedation led care and a 5 star Google rating are strengths, but conflicting WhatsApp numbers and placeholder text appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
The header WhatsApp link appears to use 447723496745 while the footer Follow on WhatsApp link uses 447967774774.	A nervous patient who messages the wrong number may never get a reply.	**One verified WhatsApp number.**
Menu items Treatments, Fees & Finance and Contact appear to link to #, and no opening hours appear.	Patients cannot reach key pages or see when you are open.	**Working menu and visible hours.**
The form appears to contain 'This field is for validation purposes and should be left unchanged.' and 'I'm interested in(Required)' with no options.	Template text on a booking form loses enquiries.	**Clean short booking form.**
Reviews appear to name Dr Bashir, Dr Bashar, Dr Ala, Dr Alaa and Dr Ali, and the page shows 'MOST AWARDED PRACTICE 2022, 2023 & 2024' with no awarding body.	Inconsistent names and unsourced awards weaken trust.	**Consistent names and linked awards.**

What your new website will do for Serene Dental

- One WhatsApp number, visible hours.
- Working menu and clean booking form.
- Consistent names and sourced awards.

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.
