WEBSITE GROWTH AUDIT

SM Law Firm

bestlawyerindubai.weebly.com | Dubai, UAE | Prepared for the SM Law Firm team

A Business Bay law firm appears to lose enquiries to a 2017 blog post as the homepage, a typo in the title and links that go nowhere.

What I found on your website

What I saw	What it costs you	The fix
The page title appears to read SM Law Firm-Best lawer in Dubai, with lawer misspelled.	A typo in the first thing a searcher sees weakens trust in a law firm.	**A proofread title with the firm name and practice.**
The homepage appears to be a blog post dated 10/7/2017 rather than a firm introduction.	Clients landing on an old post cannot see practice areas, lawyers or how to hire you.	**A real homepage with services, lawyers and a consultation button.**
Read Now and Share links appear to point to #.	Dead links stop readers who want to go further.	**Working links to every page.**
The site appears to run on a free Weebly address, and no WhatsApp appears.	A free builder address looks temporary and clients cannot message quickly.	**Your own domain and WhatsApp on every page.**

What your new website will do for SM Law Firm

- Proofread title.
- Real homepage.
- Own domain and WhatsApp.
