WEBSITE GROWTH AUDIT

Smile Gallery Dental Clinic

smilegallerydentalclinic.weebly.com | Melbourne, Australia | Prepared for Dr Lawrence Chua and the team

A Box Hill clinic with six dentists appears to lose new patients to a free builder address, a 2014 footer and a page that can only be booked by phone.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Weebly address, and the footer appears to say Copyright 2014, Powered by Create your own unique website.	A clinic with six dentists looks smaller and less current when a builder advert and a 2014 date sit at the bottom, and patients choose a clinic that looks active.	**Your own domain and a current footer.**
The page appears to list the dentist pages of other towns, such as Cowes, Phillip Island, Maryborough, Moe and Deer Park, as plain links.	A patient in Box Hill who sees unrelated towns wonders if this is the right clinic, and the clutter pushes real information down the page.	**A clean page for Box Hill only.**
Booking appears to be by phone only, with Make an appointment now 9899 0288, and the contact is a gmail address and a fax number.	Patients who decide in the evening cannot book, and a gmail address with a fax number looks dated for a clinic taking private health fund patients.	**Online booking and a professional email.**
