WEBSITE GROWTH AUDIT

Smilerite Dental and Medical Clinic

smilerite.net | Abu Dhabi, UAE | Prepared for the Smilerite team

A multi branch Abu Dhabi dental group appears to lose bookings to zero counters, popup only booking and inconsistent details.

What I found on your website

What I saw	What it costs you	The fix
The counters for Years Collective Experience, Dedicated Dental Professionals and Customers Served appear to read 0.	Zeros wipe out your strongest proof.	**Working counters or fixed numbers.**
Our Branches appears to link to #, and Book An appointment and Watch VIDEO appear to rely on popups.	Visitors hit dead ends if a popup fails.	**A working branch page and plain booking links.**
The booking form appears to end at 2:00 PM to 8:00 PM while branches are listed open until 9:00 PM and 10:00 PM, and the form appears not to confirm a booking.	Patients may think they are booked, or miss late slots.	**A real booking form with all open hours and confirmation.**
Typos such as Restorative Denistry and Madinat Al Ryad appear, the page appears to say Based on 730 reviews but show about four, and one review appears empty.	Typos and thin proof weaken trust.	**Proofread copy and real reviews.**
