WEBSITE GROWTH AUDIT

Sternberg Reed

sternberg-reed.co.uk | London and Essex, UK | Prepared for the Sternberg Reed team

An Essex and London solicitor firm appears to lose enquiries to a 2016 copyright date and a very long services menu.

What I found on your website

What I saw	What it costs you	The fix
The footer appears to say Copyright 2016 Sternberg Reed.	An old date makes a client wonder if the firm is still active.	**A current page.**
The services menu appears to list a long list of practice areas, with four office phone numbers at the top.	A client in a crisis cannot tell which number or service is right for them and may call another firm.	**Grouped practice pages with one clear enquiry path.**
No WhatsApp or online enquiry form appears next to the phone numbers.	Clients who cannot call during work message first.	**A one tap WhatsApp button and an enquiry form.**

What your new website will do for Sternberg Reed
