WEBSITE GROWTH AUDIT

Studio Nude Skin and Body

studionude.ca | Toronto, Canada | Prepared for the Studio Nude team

A Yorkville body contouring and skin clinic appears to lose bookings to typos in its menu, a 2023 date and an overloaded menu.

What I found on your website

What I saw	What it costs you	The fix
The menu appears to spell Lymphatic Drainage as Drianage and Microblading as Miroblading.	Typos in treatment names make a clinic that sells precision look careless.	**Proofread treatment names.**
The page appears to carry a 2023 copyright date.	An old date makes a visitor wonder if the clinic is still active.	**A current page.**
The menu appears to list more than 40 treatments in one long list.	Visitors cannot find the one treatment they came for, and they leave without booking.	**Grouped treatment pages with a clear next step.**

What your new website will do for Studio Nude Skin and Body

- Proofread menu.
- Grouped treatments.
- Current page and clear booking.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.

Book your 15 minute preview call
