WEBSITE GROWTH AUDIT

# Tabarek Specialized Clinic

tabarek-specialized-clinic.site123.me | Sharjah, UAE | Prepared for the Tabarek Clinic team

A Sharjah dental clinic with 15 years of experience appears to lose new patients to a free builder footer, a gmail contact and no online booking or WhatsApp.

## What I found on your website

| What I saw | What it costs you | The fix |
|---|---|---|
| The site appears to run on a free SITE123 address, with a footer that says I BUILT MY SITE FOR FREE USING SITE123. | A free builder footer looks temporary for a clinic with over 5000 patients. | **Your own domain and a branded footer.** |
| The contact appears to be a gmail address and one landline. | A free email gives less trust, and patients who want a quick answer have nothing faster than a call. | **A clinic email on your own domain.** |
| No online booking and no WhatsApp appear on the page. | Patients who want to book after hours cannot, and they book with a clinic that lets them. | **Online booking on the page and a one tap WhatsApp button.** |

## What your new website will do for Tabarek Specialized Clinic

- Own domain and email.
- Treatment pages with proof.
- Booking and WhatsApp.

## How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
