WEBSITE GROWTH AUDIT

Town Hall Dental

townhalldental.co.uk | London, United Kingdom | Prepared for the Town Hall Dental team

A Marylebone dental page appears to lose patients because the address, phone and hours conflict and copy looks unfinished.

What I found on your website

What I saw	What it costs you	The fix
The header address appears to be in Brighouse while the body gives a Marylebone address, and the call button appears to use a West Yorkshire number.	Marylebone patients may call the wrong place or doubt the practice.	**One verified address and phone per clinic page.**
The body appears to say open five days from 08:30 to 15:00, while the footer lists different hours.	Patients cannot tell when to visit or call.	**One correct hours table.**
Keyword text such as Until Marylebone Dentist and Emergency Dentist Marylebone appears in the wrong places, with typos like Proving First Class.	Garbled copy makes the practice look careless.	**Clear, proofread copy.**
Tongue Tie Treatment, News and Dentist Referral appear to link to #, Case Studies appears to point to a coming soon page, and the footer appears to show 2024.	Dead links and old dates weaken trust.	**Working pages and a current date.**

What your new website will do for Town Hall Dental

- Correct address and phone.
- One hours table.
- Clean copy and working links.

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.
