WEBSITE GROWTH AUDIT

Traynor and Co

traynor.co.uk | London, UK | Prepared for the Traynor and Co team

A Crouch End letting agent appears to lose landlords to a default page title, a 2015 copyright date and no quick message option.

What I found on your website

What I saw	What it costs you	The fix
The page title appears as HOME | index, a default Wix name, and not Traynor and Co.	This is what Google and browser tabs show, so landlords searching for an agent do not see who you are.	**A title with your firm name and Crouch End.**
The footer appears to say 2015 Traynor and Co Ltd.	An old date makes a landlord wonder if the agent is still active, even for a firm managing half a billion pounds of property.	**A current page.**
No WhatsApp or online valuation form appears, only the Contact page.	Landlords with a quick question message first, and the agent who answers first gets the instruction.	**A one tap WhatsApp button and a valuation form.**

What your new website will do for Traynor and Co

- Correct title.
- Current page.
- Valuation form and WhatsApp.
