WEBSITE GROWTH AUDIT

Union Square House Real Estate Brokers

ushre.weebly.com | Dubai, UAE | Prepared for the Union Square House team

A Sheikh Zayed Road brokerage appears to lose buyers and landlords to visible template code and a site that shows only a contact page.

What I found on your website

What I saw	What it costs you	The fix
Template code such as {search} and {{title}} appears in the page text.	Code on a broker page makes the firm look unfinished.	**Clean template with no leftover code.**
The site appears to show only a contact form and address, with no listings, services or team on the page.	Property buyers and owners cannot see what you sell or who you are.	**Featured listings, services and team on the homepage.**
The site appears to run on a free Weebly address, with a footer that says Powered by Create your own unique website.	A builder advert in the footer looks temporary for a brokerage.	**Your own domain and a branded footer.**
A fax number appears but no WhatsApp does.	Property enquiries in Dubai usually start on WhatsApp.	**WhatsApp on every page.**

What your new website will do for Union Square House Real Estate Brokers

- Clean template.
- Listings and team.
- Own domain and WhatsApp.
