WEBSITE GROWTH AUDIT

Winkworth Knightsbridge and Chelsea

winkworth.co.uk | Knightsbridge, London | Prepared for the team

A 4.9 Google rating and a long established Brompton Road office are strengths, but a split valuation button and form glitches appear to cost you instructions.

What I found on your website

What I saw	What it costs you	The fix
Book A Valuation and Book a valuation appear to link to different pages (book-your-appraisal and request-valuation).	Vendors face two paths and some drop out.	**One clear valuation path.**
The contact form appears to show 'Leave a message' and 'Free text' as duplicate fields with no visible submit button, and the office contact appears to list a bare 'admin'.	A form that looks broken loses vendor enquiries.	**A short working form with a clear button.**
The page title appears to show '&' and reviews appear to include 'Winckworth', 'necssary', 'foind' and 'seemless'.	Raw code and typos in reviews weaken polish.	**Clean title and checked reviews.**
Sold cards appear to show 'Asking Price' with no final price, the 4.9 Google rating appears with no review count, and most reviews share the heading 'Knightsbridge & Chelsea'.	Weak sales proof does not win vendors who compare agents.	**Final sold prices and a review count.**

What your new website will do for Winkworth Knightsbridge and Chelsea
