WEBSITE GROWTH AUDIT

May and Co

mayandco.co.uk | London, UK | Prepared for the May and Co team

A Chelsea and Earls Court independent estate agency appears to lose valuation enquiries to a thin homepage, no visible proof and no WhatsApp.

What I found on your website

What I saw	What it costs you	The fix
The homepage text appears to be very short, with only a small welcome paragraph and a menu.	Owners choosing an agent want to see areas, results and people before they call.	**A fuller homepage with areas, team and recent results.**
No reviews, sold results or testimonials appear on the homepage.	Sellers choose the agent who shows proof.	**Named reviews and sold examples.**
A menu item called Tiger Cubs appears with no explanation.	Unclear menu items confuse visitors.	**A clear label such as Graduate Programme.**
A stray markup character group appears in the page text and no WhatsApp appears.	Broken code looks careless and clients cannot message quickly.	**Clean markup and WhatsApp on every page.**

What your new website will do for May and Co

- Fuller homepage.
- Reviews and results.
- Clear menu and WhatsApp.
