WEBSITE GROWTH AUDIT

Wellbelove Quested

wellbelove-quested.com | Belgravia, London | Prepared for Andrew Quested and the team

A Belgravia specialist with decades of experience is a strength, but dead valuation buttons and an unfinished contact route appear to cost you vendors.

What I found on your website

What I saw	What it costs you	The fix
Request an Appraisal, Register as a Buyer and Click Here under Free Market Appraisal appear to link to #, and Get in touch appears to link to # with no visible form.	A vendor who wants a valuation hits a dead button.	**Working valuation and registration forms.**
The tagline 'Our team of experts are here to help you...' appears to end with an ellipsis, and INDEPENDENT PROPERTY CONSULTANTS appears three times.	Unfinished and repeated copy look careless.	**Finished copy and one clear message.**
A quote appears to read 'The first men to come to if you want to move to Belgravia' and a testimonial appears with no named author.	Garbled quotes and unnamed proof weaken trust.	**Proofread quotes and attributed reviews.**
The page appears to say 'almost 60 years' and 'over 60 years', Sold and Let Properties appear to link to ?Itemid=214 and ?Itemid=215, and the footer address appears to be in Fulham.	Conflicting claims and unreadable links confuse buyers and vendors.	**One verified claim and readable links.**
