WEBSITE GROWTH AUDIT

Devine Hoang Partners

devinehoangpartners.wixsite.com/mysite | Sydney, Australia | Prepared for Sean Devine and team

A Parramatta law practice with free initial advice appears to lose enquiries to a free builder address and a 2017 design credit.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Wix address, with a banner that says This website was built on Wix.	A free builder address makes a law practice look temporary.	**Your own domain and a clean branded site.**
A credit that reads Web Design with a roman numeral date for 2017 appears in the page text.	An old design credit signals a site that has not been refreshed.	**Remove the old credit and refresh the design.**
The only email shown appears to be a personal address, and no WhatsApp appears.	Clients prefer a firm email and a quick message option.	**A firm email address and WhatsApp.**
The page title appears to read Go To Court New, which does not name the practice area or suburb.	A vague title loses searchers looking for a Parramatta lawyer.	**A title with the practice name and suburb.**

What your new website will do for Devine Hoang Partners

- Own domain.
- Fresh design.
- Firm email and WhatsApp.

How it works

   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
