WEBSITE GROWTH AUDIT

Homes R Us Property Management London

homesruslondon.weebly.com | London, UK | Prepared for the Homes R Us team

A London and Nottingham letting agency appears to lose landlords to a keyword heavy page, two spellings of its email and a free builder address.

What I found on your website

What I saw	What it costs you	The fix
Two email addresses appear, one spelled Info@homesrsu.co.uk and one spelled sales@homesrus.co.uk.	A misspelled address can send landlord enquiries to nowhere.	**One verified email address.**
A long list of keyword phrases such as Cheap estate agency Nottingham appears on the page.	Keyword lists look like spam to landlords and do not explain what you offer.	**Plain copy about your services and areas.**
The phone numbers appear as 2080870644 and 1157720344 with no spacing or tap to call links.	Numbers that are hard to read lose callers.	**Properly formatted tap to call numbers.**
The site appears to run on a free Weebly address, and no WhatsApp or reviews appear.	A free builder address looks temporary and landlords look for proof.	**Your own domain, reviews and WhatsApp.**
