WEBSITE GROWTH AUDIT

Oliver Fisher Solicitors

oliverfisher.co.uk | London, United Kingdom | Prepared for the Oliver Fisher team

A West London conveyancing firm appears to lose quotes because the page has no quote tool and shows signs of age.

What I found on your website

What I saw	What it costs you	The fix
The page promises Get a quote today but appears to offer no quote form, only a link to another contact page.	Visitors who want a quick price must leave the page.	**An on page quote form or calculator.**
The footer appears to show 2016, and a Like on Facebook share button appears to point to a third party demo page.	Old dates and wrong links make the firm look inactive.	**A current date and correct social links.**
The page appears to say affordable fixed fee while also saying fees depend on the transaction, and no example fees appear.	Mixed messages and no prices push clients to compare elsewhere.	**A fee table with examples.**
The location messaging appears to switch between Central, North and West London, and no testimonials or case studies appear.	Unclear coverage and no proof weaken trust.	**One clear coverage area and real client reviews.**

What your new website will do for Oliver Fisher Solicitors
