WEBSITE GROWTH AUDIT

WB Legal

wbgweb.wixsite.com/wblegal-1 | Sydney, Australia | Prepared for the WB Legal team

A Sydney CBD law firm that offers immigration, property, commercial and family law appears to lose enquiries to a free builder address and raw page text.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Wix address, with a banner that says This website was built on Wix.	A free builder address makes a law firm look temporary.	**Your own domain and a clean branded site.**
The footer appears to read 1993, with no current year.	An old year makes a visitor doubt the firm is active.	**A footer that updates by itself.**
No reviews or client results appear on the homepage text.	Clients choosing a firm for a visa or property matter look for proof first.	**Named client reviews and short case examples.**
No WhatsApp appears, and a menu item reads RESPONSIBILITY with no explanation.	Migration clients often message first and unclear menu items lose them.	**WhatsApp and clear menu labels.**

What your new website will do for WB Legal

- Own domain.
- Current footer.
- Reviews and WhatsApp.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
