WEBSITE GROWTH AUDIT

Open Real Estate (Better Buildings Realty)

betterbuildingsrealty.com.au | Parramatta, Australia | Prepared for the agency principal

A 5 star rated Parramatta agency should convert more owners, but a dead contact button and two brand names appear to cost you appraisal requests.

What I found on your website

What I saw	What it costs you	The fix
The main Contact button appears to link to #, so the key call to action goes nowhere.	Owners ready to ask for an appraisal hit a dead end.	**A working contact and appraisal button.**
The Sell, Rent and About menu items appear to link back to the homepage instead of their own pages.	Visitors cannot learn about your selling or rental service.	**Real pages for each menu item.**
The mobile contact link and the desktop contact link appear to go to different agency pages, and a link goes to a different brand domain.	Mixed branding makes owners unsure who they are dealing with.	**One brand, one contact page.**
The 5 star rated claim appears to have no review source or numbers, and no appraisal form appears.	Claims without proof do not persuade, and phone only contact loses after hours leads.	**Embedded reviews and an online appraisal form.**

What your new website will do for Open Real Estate (Better Buildings Realty)

- Working contact and appraisal buttons.
- One brand and real menu pages.
- Reviews and an appraisal form.
