WEBSITE GROWTH AUDIT

Al Mazmy Advocates

almazmylaw.ae | Dubai | Prepared for the Al Mazmy team

DIFC and onshore services with several practice areas are strong, but two websites, two phone numbers and a form that appears to show no fields cost you clients.

What I found on your website

What I saw	What it costs you	The fix
Contact buttons on almazmylaw.ae send people to almazmy.com, and the firm appears as Al Mazmy, Almazmy and Yaqoub Almaazmi Advocates & Faragallah Legal Consultancy.	A client moving between two domains and names may lose trust.	**One site and one consistent firm name.**
The header lists +971 4 568 6523 while the footer phone icon dials +971 56 403 7377.	A client who taps to call may reach a different line than expected.	**One checked number everywhere.**
The form appears to show labels without input fields, with a visible Leave this field blank note and a 5+5? check.	Leftover form text and a missing form lose enquiries.	**A clean, tested enquiry form.**
Four award images are labelled only Award Logo, there are no team bios, and the footer reads Follw Us.	Unnamed awards and no lawyers named reduce credibility.	**Named awards, team profiles and proofread copy.**

What your new website will do for Al Mazmy Advocates

- One site, one firm name and one correct phone number.
- A clean enquiry form with a WhatsApp option.
- Named awards and team profiles.
