WEBSITE GROWTH AUDIT

Smart Dental and Aesthetics Clinic

smartdentalclinic.co.uk | London, United Kingdom | Prepared for Dr Manouchehri and team

A Marylebone dental and aesthetics clinic appears to lose bookings to competing booking paths and thin proof.

What I found on your website

What I saw	What it costs you	The fix
The header Book Online appears to go to one booking system, the Invisalign Book Now to another, and Dermafacial Book Now to WhatsApp.	Three booking paths confuse patients and lose bookings.	**One booking path.**
Contact Us appears to open WhatsApp instead of showing the phone or email, and the phone number appears only in the footer.	Patients who prefer to call cannot find the number quickly.	**A visible phone number in the header.**
Text such as Use tab to navigate through the menu items and Thanks for submitting appears to be visible, and image labels appear as file names.	Leftover text makes the clinic look unfinished.	**Clean copy and proper image labels.**
The Award winning claim appears alongside finalist badges, no reviews appear, and services appear as titles only with no prices.	Unclear claims and no proof weaken a premium positioning.	**Accurate awards, reviews and starting prices.**

What your new website will do for Smart Dental and Aesthetics Clinic

- One booking path.
- Visible phone.
- Clean copy, reviews and prices.
