WEBSITE GROWTH AUDIT

Align and Smile

alignandsmile.co.uk | London, UK | Prepared for the Align and Smile team

A Canary Wharf dental practice appears to lose new patients to a 2019 copyright date and an odd Order Number field in its contact form.

What I found on your website

What I saw	What it costs you	The fix
The footer appears to say Copyright Align and Smile 2019.	An old date makes a patient wonder if the practice is still active.	**A current page.**
The contact form appears to include a field called Order Number.	A dental patient does not have an order number, and a stray field looks like a template left behind.	**A short form with name, phone and treatment.**
No WhatsApp or text option appears next to the Click to call link.	Patients who want a quick answer message first.	**A one tap text button.**

What your new website will do for Align and Smile

- Current page.
- Clean contact form.
- Text and online booking.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
