WEBSITE GROWTH AUDIT

Boyson Healthcare

boysonhealthcare.wixsite.com/boyson-healthcare | Birmingham, UK | Prepared for Dr Chris Boyson

A doctor led aesthetics clinic in Harborne appears to lose patients to a free builder address, a 2016 footer and an offer that ended in 2016.

What I found on your website

What I saw	What it costs you	The fix
The page appears to run on a free Wix address with a Wix banner, even though it lists boysonhealthcare.co.uk as your site.	Patients pay for injectables on trust, and a builder advert at the top makes a doctor led clinic look less established.	**Your own domain with no banner.**
The footer appears to say 2016 by Boyson Healthcare Ltd.	A 2016 date makes visitors wonder if the clinic is still open and prices are current.	**A current site with a live date.**
The page appears to still show 10 pounds off ANY treatment, ends 31/03/16.	An offer that ended years ago tells patients nobody is looking after the page, and they book elsewhere.	**An offers block you update yourself.**
Opening hours appear to say please enquire, and the contact is a doctor.com email and one mobile with no WhatsApp.	A patient who cannot see hours or message quickly tries the next clinic.	**Clear hours and a one tap WhatsApp button.**

What your new website will do for Boyson Healthcare

- Own domain, no builder banner.
- Live offers and current date.
- Clear hours and WhatsApp booking.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
