WEBSITE GROWTH AUDIT

Dr Ophelia Veraitch Dermatology

drophelia.com | Harley Street, London | Prepared for Dr Ophelia and the team

A strong reputation and a 4.9 Google rating are strengths, but typos, a dead menu item and no online booking form appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
Microneedling London links to #, Skin Cancer Screening has no link, and the header phone link is tel:+44207022 9888 with a space.	Dead links and a faulty phone link lose patients who try to act.	**Working links and a tested phone link.**
The page shows 'Hollistic Approach', 'a discreet. comfortable environment', and the logo text reads Dr. Orphelia.	Spelling slips on a premium dermatology page reduce trust.	**Proofread copy and correct logo text.**
No booking or contact form appears, contact relies on phone and email, and no WhatsApp number is listed.	Patients who prefer to book online or message first may leave.	**A direct booking form and WhatsApp.**
The page repeats 'Real stories of healing and hope' on five tiles, names no awards behind award winning, and shows no treatment pricing.	Repeated lines and unnamed claims weaken proof.	**Named awards, outcome details and pricing guidance.**
