WEBSITE GROWTH AUDIT

Qatar Prime Dental Center

qatarprimedental.com | Al Sadd, Doha | Prepared for Dr Johnny Aoun and the team

A founder led team of 11 doctors, WhatsApp and PayLater are strengths, but two near identical numbers and staging leftovers appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
The Call button appears to use +974 3382 3222 while the Urgent Dental Support banner and footer use +974 3342 3222.	In a dental emergency, a patient may dial the wrong number and call another clinic.	**One verified number everywhere.**
Booking appears to be request only, 'Send a request and the clinic team will contact you', with no available slots shown, and the 20% off whitening offer says Limited time only with no end date.	Patients who must wait for a callback often book elsewhere, and an undated offer builds no urgency.	**Live booking slots and a dated offer.**
Partner logos appear to use raw file names such as WhatsAppImage2026-08-08 and /manus-storage/ paths, and the Privacy Policy and Terms appear to link to #.	Staging leftovers and dead legal links hurt trust and compliance.	**Clean logos and real policy pages.**
Copy appears to include 'Clear Aligners clear aligners', 'clinical Specialists' beside 10 specialists with 11 profiles listed, and the Google reviews button appears to open a generic search.	Small errors and unlinked reviews weaken proof.	**Proofread copy and a direct Google reviews link.**
