WEBSITE GROWTH AUDIT

CDC Dental

cdcdental.com.au | Sydney, Australia | Prepared for Dr Tony Goswell and team

A Sydney CBD cosmetic dentist with four decades of experience appears to lose appointment requests to dead links and a broken form.

What I found on your website

What I saw	What it costs you	The fix
Navigation headers labelled Column 1, Column 2 and Column 3 appear to be placeholders linking to #, and Email Us and the footer Request Appointment appear to link to #.	Visitors hit dead ends on the main ways to contact you.	**Real labels and working contact links.**
The appointment form appears to show hour and minute options as raw text, and a Leave this empty label appears to be visible.	A broken form loses ready patients.	**A clean, tested appointment form.**
No opening hours appear, and the 199 dollar new patient offer appears to show no terms.	Patients cannot tell when you are open or what the offer includes.	**Visible hours and clear offer terms.**
No reviews, ratings or before and after photos appear, and prices appear only as Costs vary.	Cosmetic patients compare clinics that show results and prices.	**Reviews, a results gallery and starting prices.**

What your new website will do for CDC Dental
