WEBSITE GROWTH AUDIT

Goodwins Family Law

goodwinsfamilylaw.co.uk | Harrow, London | Prepared for the Goodwins team

Fixed fee consultations and a two step enquiry form are strong, but dead menu headings and inconsistent details appear to lose enquiries.

What I found on your website

What I saw	What it costs you	The fix
Menu headings Children's Law, Unmarried Couples and Financial Matters link to #, and several links use double slashes such as //divorce/.	People looking for their exact situation hit dead ends.	**Working menus and clean page addresses.**
The firm is called Goodwins Family Law Society in one place, the location is Pinner in the FAQ and Harrow in the footer, and hours are written two ways.	Inconsistent details make a law firm look careless.	**One consistent name, address and hours.**
The enquiry form shows Select a service twice and the Thinking about legal aid? link goes to the dispute resolution page.	A confusing form and a wrong link lose clients at the last step.	**A clean form and correct links.**
The page claims a high client satisfaction rate with no figure, testimonials have no names or dates, and Skype is listed as a contact method.	Thin proof and outdated options reduce trust.	**Real figures, dated reviews and current contact options.**

What your new website will do for Goodwins Family Law

- Working menus and one clean enquiry form with a WhatsApp option.
- Consistent firm details and a named team.
- Dated reviews and clear fixed fee pricing.
