WEBSITE GROWTH AUDIT

# Abdulla M. Al-Mulla Law Firm

legalabdulla.com | Alnasr Tower, Doha | Prepared for the Legal Abdulla team

A clear practice list, WhatsApp and phone access are strengths, but three firm names, conflicting figures and no appointment form appear to cost you clients.

## What I found on your website

| What I saw | What it costs you | The fix |
|---|---|---|
| The firm appears as Abdulla M. Al-Mulla Law Firm, Abdulla M. Al-Mulla Advocates and Legal Consultancy and Legal Abdulla Law Firm, and phone numbers appear as +974 3000 9998 and +974 400 20 200. | Changing names and numbers confuse clients and weaken search visibility. | **One firm name and one checked number.** |
| Book an Appointment appears three times but points to an anchor, and no contact or appointment form is visible. | Clients who want to book online have no simple way and some will leave. | **A real appointment form with confirmation.** |
| The page claims 500+ Cases Handled, Cases Won 500+, 98% Success Rate and Client Satisfaction 100%, and the office hours say Sunday to Thursday while it also claims 24/7 Legal Support. | Conflicting figures reduce trust in a law firm. | **One verified set of figures and clear hours.** |
| Every practice card ends with the leftover label Professional Grade, the call link tel:+974 3000 9998 contains spaces, and no testimonials or bar admissions appear. | Leftover labels, a risky phone link and thin proof weaken credibility. | **Clean cards, a tested call link, testimonials and credentials.** |
