WEBSITE GROWTH AUDIT

Hashim Group Advocates and Legal Consultants

lawdubai.wixsite.com/hglc | Dubai, UAE | Prepared for the Hashim Group team

A Dubai advocates group established in 1991 appears to lose corporate clients to a free builder address, a 2015 footer and a free mail address.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Wix address, with a banner that says This website was built on Wix.	A free builder address makes a long established firm look temporary.	**Your own domain and a clean branded site.**
The footer appears to read 2015.	An old year suggests the firm is not active online.	**A footer that updates by itself.**
The contact email appears to be a mail.com address instead of one on the firm's own domain.	A free mail address makes a corporate client doubt the firm.	**An email address on your own domain.**
No WhatsApp and no client reviews appear on the pages.	Clients choosing a firm look for proof and a quick way to message.	**Named reviews and WhatsApp.**

What your new website will do for Hashim Group Advocates and Legal Consultants

- Own domain.
- Current footer.
- Branded email, proof and WhatsApp.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
