WEBSITE GROWTH AUDIT

Cosmetic Clinic Jeddah

cosmeticlinicjeddah.com | Jeddah and Riyadh | Prepared for the team

Hair transplant, plastic surgery and a WhatsApp button are strengths, but a dead booking button and conflicting numbers appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
The Request An Appointment button and the header Appointment link appear to link to #, so the main booking button goes nowhere.	A patient ready to book hits a dead end.	**A working booking form.**
The header number appears as +966582719430 while the floating WhatsApp button uses +966591087287.	Patients do not know which number is real.	**One verified WhatsApp number.**
The page appears to promise 'Best Cosmetic Clinic in Jeddah and Riyadh' but shows only a Jeddah address with no street, and the copyright appears as 'Copyright All rights reserved' with no year.	Vague locations and an unfinished footer weaken trust.	**Street addresses per city and a current footer.**
Typos appear such as 'cosmetic rap', 'Discaimer' and 'Cosmetc Clinic', only four first name testimonials appear, and a blog excerpt appears to end mid word.	Errors and thin proof lose patients who compare clinics.	**Proofread copy and dated, named reviews.**

What your new website will do for Cosmetic Clinic Jeddah

- Working booking and one WhatsApp number.
- Street addresses and a current footer.
- Proofread copy and real reviews.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
